## Press Note on Draft Publication of Electoral Roll in SIR – 2026

### Publication of Draft Electoral Rolls

- As per the schedule prescribed by the Election Commission of India under the Special Intensive Revision (SIR) – 2026, the Draft Electoral Rolls of all 288 Assembly Constituencies in Maharashtra have been published today, i.e. 31.08.2026. These Draft Electoral Rolls are available for citizens on the Election Commission of India's Voter Service Portal (https://voters.eci.gov.in/), the website of the Chief Electoral Officer, Maharashtra State (https://ceoelection.maharashtra.gov.in/ceo/), as well as on the websites of the respective District Election Officers. The Draft Electoral Rolls are also being made available to representatives of recognised political parties at the district level, both in soft and hard copy.
- Lists of electors whose names were included in the electoral rolls prior to the commencement of the revision but could not be included in the Draft Electoral Rolls, along with the reasons therefor, namely Absent / Shifted / Dead / Duplicate / Other (ASDDO), have also been made available on the above-mentioned websites. These lists are also being displayed on the notice boards of important Government offices in the districts.
- Prior to the commencement of the Special Intensive Revision, the total number of electors in Maharashtra was 9,78,54,049. Out of these, 7,71,65,562 electors (78.86%) have been included in the Draft Electoral Rolls. This includes 3,95,89,905 male electors, 3,75,72,570 female electors and 3,087 third-gender electors. The district-wise number of electors included in the Draft Electoral Rolls is enclosed as **Annexure-1.**
- A total of 2,06,88,487 electors (21.14%) from the previous electoral rolls could not be included in the Draft Electoral Rolls as their Enumeration Forms were not collected, due to the following reasons:
    1. Being absent / not found at the place of residence mentioned in the Electoral Roll;
    2. Having shifted from the place of residence as mentioned in Electoral Roll;
    3. Being dead;
    4. Having been enrolled elsewhere / being a duplicate entry;
    5. Other reasons, including refusal by the elector to fill and submit the Enumeration Form, etc.

    The district-wise number of such electors (ASDDO)is enclosed as **Annexure-1.**

- As per the schedule of the Election Commission of India, an opportunity to file claims and objections in respect of the Draft Electoral Rolls will be available for a period of one month, from 31.08.2026 to 30.09.2026.
- Eligible electors whose names have not been included in the Draft Electoral Rolls, as well as new electors who have attained or will attain the age of 18 years on or before 01.10.2026, may apply for inclusion of their names in the electoral roll by submitting Form-6 along with the prescribed declaration. After due verification, the concerned Electoral Registration Officer (ERO) will take an appropriate decision on such applications, and the names of eligible electors will be included in the Final Electoral Rolls.

- If any person has an objection to the inclusion of a particular name in the electoral roll, a person who is an elector in the concerned Assembly Constituency may file such objection in Form-7.
- If any correction is required in an entry (e.g. correction in name, address, age, gender,etc.) in the electoral roll, the concerned elector may submit a request for such correction through Form-8.
- Any person who makes a false declaration or statement while applying for inclusion of a name, correction of an entry, or deletion of a name from the electoral roll is liable for imprisonment for a term which may extend to one year, or with fine, or with both, under Section 31 of the Representation of the People Act, 1950.
- During the period for filing claims and objections, lists of claims and objections received Assembly Constituency-wise will be prepared every week by the Electoral Registration Officers. Such lists will also be made available on the websites of the respective District Election Officers and the Chief Electoral Officer, Maharashtra.
- Notices will be issued by the Electoral Registration Officers to electors included in the Draft Electoral Rolls who are unmapped with the electoral rolls of 2002–2004 (Unmapped Electors), as well as to electors whose mapping has been completed but where Logical Discrepancies have been identified. Upon submission of documents prescribed by the Election Commission of India, or any other valid documents, by the concerned electors, the same will be duly verified and an appropriate decision will be taken.
- There are 288 Electoral Registration Officers (EROs), one for each of the 288 Assembly Constituencies in the State, and more than 7,000 Assistant Electoral Registration Officers (AEROs) have been notified. The process relating to claims and objections, as well as notices issued in this regard, will be completed at their respective levels during the period from 31.08.2026 to 29.10.2026.
- Upon completion of the above process, the Final Electoral Rolls will be published on 04.11.2026, as per the schedule prescribed by the Election Commission of India.
- If an application submitted by an elector for correction in the electoral roll is rejected by the Electoral Registration Officer due to non-submission or insufficiency of the prescribed documents, the concerned elector may submit a fresh application after furnishing the required documents or may file an appeal under Section 24 of the Representation of the People Act, 1950.

**Rationalisation of Polling Stations**

- As per the directions of the Election Commission of India, Rationalisation of polling stations in the State has been undertaken as part of the Special Intensive Revision.
- Prior to rationalisation, the total number of polling stations in the State was 1,00,253. A total of 394 new polling stations were added, while 431 polling stations were deleted due to a reduction in the number of electors. Consequently, the total number of polling stations in the State now stands at 1,00,216.
- Similarly, the locations of 1,403 polling stations have been changed. This includes, in particular, polling stations in Mumbai City, Mumbai Suburban, Thane and Palghar districts, which were earlier established in temporary structures and have now been shifted, within the same polling station area, to permanent premises/buildings. This exercise has been carried out in accordance with the standing instructions of the Election Commission of India regarding setting up of polling stations in permanent locations.
